LETTER

Dear Sir:

This is in response to the Office Action mailed October 29, 2004 relating to the above.

Applicants filed an amendment dated October 6, 2004, which was deemed non-compliant in the
Office Action mailed October 29th. Applicants attempted to corrected the amendment by refining it on

November 23, 2004. However, applicants were informed by phone from the Legal Instruments Examiner that this too was non-compliant in that claims 19 and 20 were missing.

Accordingly, enclosed again herewith is a second corrected Amendment that now includes claims 19 and 20.

Also enclosed is a Petition for Extension of Time authorizing the Patent Office to charge whatever fees are required to the assignee's deposit account.

Respectfully submitted,

By: /Sharon E. Hayner/
